## **Damian Douglas Garage Door Las Vegas enhances website to assist garage door customers**

*Las Vegas and Henderson, Nevada garage door installer updates website to help customers understand ways to maintain garage doors*

**LAS VEGAS, NV, August 11, 2011:** Damian Douglas Garage Doors, the Las Vegas, NV based residential garage door and commercial garage door installation and repair specialist has beefed up their website.

The Nevada garage door installer has added more information to their website to help customers understand ways to maintain their garage doors.

Damian Douglas, owner of Damian Douglas Garage Doors, said the company took the steps "because we believe in helping our customers save money when it comes to their garage doors and garage door openers."

"We believe that an informed customer is a better customer. We strive to provide the best customer service to our customers, and educating them on the proper way to maintain their garage doors and garage door openers is one of the ways we do that," he added.

The website also features testimonials from customers of the company who are satisfied with their garage door installation and services.

"We at Garage Door Repair Las Vegas know that the customers' time is very valuable and it is our goal to provide the highest level of customer service and craftsmanship with any garage door repair job. We waste no time in ensuring that the customer is completely satisfied from start to finish. It begins with your first phone call where we will go over your garage door needs."

Damian Douglas Garage Doors sells and repairs quality garage doors, garage door openers and springs from LiftMaster, Amarr and Linear Chamberlain, among others. "We guarantee our garage door installation and service. We will not consider a job done until the customer is 100% satisfied," said owner Damian Douglas.

“We have more information coming to the website because we want the customers to know how to avoid damaging their garage doors and garage door openers. We also want them to know that we are here to help them with any problems they may have. They can simply call us and we will talk to them on the phone. We can then arrange to have a technician come to the customer’s home or business and fix the problem,” he added.
